LEGAL BASIS FOR THE PROCESSING

This site processes data mainly based on user consent. The consent is given through the banner placed at the bottom of the homepage on first access, or through the use or consultation of the site (enquiries form), which behavior is final. With the use or consultation of the site visitors and users approve this statement and consent to the processing of their personal data in relation to the methods and purposes described below, including any disclosure to third parties if necessary for the provision of a service. Through the communication or service request forms, further consents are collected concerning the specific purpose of the service.

CATEGORIES OF PERSONAL DATA AND PURPOSES OF THE PROCESSING

Browsing data

The information systems and software procedures relied upon to operate this web site acquire personal data as part of their standard functioning; the transmission of such data is an inherent feature of Internet communication protocols.

This data category includes the IP addresses and/or the domain names of the computers and terminal equipment used by any user, the URI/URL (Uniform Resource Identifier/Locator) addresses of the requested resources, the time of such requests, the method used for submitting a given request to the server, returned file size, a numerical code relating to server response status (successfully performed, error, etc.), and other parameters related to the user's operating system and computer environment.

These data are necessary to use web-based services and are also processed in order to

- extract statistical information on service usage (most visited pages, visitors by time/date, etc.);
- check functioning of the services.

Browsing data are kept for no longer than 1 year and are erased immediately after being aggregated (except where judicial authorities need such data for establishing the commission of criminal offences).

Data communicated by users

Sending messages, on the basis of the user's free, voluntary, explicit choice, to the MELCHIORRE OFFICINA MECCANICA S.R.L.'s contact addresses and filling in and sending the forms made available on the MELCHIORRE OFFICINA MECCANICA S.R.L.'s websites (enquiries form) entail the acquisition of the sender's contact information as necessary to provide a reply as well as of any and all the personal data communicated in that manner.

These data are stored to pursue the aforementioned purpose and for no more than 1 year (except where judicial authorities need such data for establishing the commission of criminal offences).

Specific information notices will be displayed on the pages of the MELCHIORRE OFFICINA MECCANICA S.R.L.'s websites that are used for providing certain services.

Cookies and other tracking devices

No cookies are used to profile users nor are other user tracking systems implemented.

So-called session (non-persistent) cookies are used exclusively to the extent this is necessary to enable secure, efficient browsing. Storage of session cookies in terminal equipment or

browsers is under the user's control, whilst cookie-related information is stored server-side after HTTP sessions in the service logs for no longer than 7 days like all other browsing data.
